## **DR RANJEET BHAGWAN SINGH RESEARCH GRANT 2018: CALL FOR APPLICATION**

The Academy of Sciences Malaysia (ASM) has been trusted by the Ministry of Energy, Science, Technology, Environment and Climate Change (MESTECC) to conduct programmes under the Dr Ranjeet Bhagwan Singh (RBS) Medical Research Trust Fund. The fund is endowed by the late Dr Ranjeet Bhagwan Singh, former Director of the Institute for Medical Research (IMR), who was also a prominent medical research scientist.

**Annually, one (1) eligible young Malaysian scientist will be awarded a grant with the maximum amount of RM 30,000.00 to support medical and biomedical research initiatives. In relation to this, ASM wishes to invite you as Young Scientists Network Members and Affiliates to apply for the RBS Research Grant. Kindly be informed that the application for this grant is open online at <https://www.akademisains.gov.my/index.php/2018-RBS>.**

The closing date for submission is **16 November 2018 (Friday)**. Please be informed that applications received after the closing date will not be entertained. Enclosed herewith is the information on the grant and summary of instruction for the grant application for reference.

For any further enquiries, your office may contact Ms Nur Dayana Razmi, Deputy Head, STI Strategic Programmes Unit or Mr Alang Iskandar Alang Rejab, Executive, STI Strategic Programme Unit. (Tel: 03 6203 0633 or Email: [dayana@akademisains.gov.my](mailto:dayana@akademisains.gov.my) / [alang@akademisains.gov.my](mailto:alang@akademisains.gov.my)).

Your kind cooperation and support towards the success of this initiative is highly appreciated.

Thank you.

Yours sincerely,

**HAZAMI HABIB**  
Chief Executive Officer
